

## AFTERCARE OPTIONS

I wish to have to have my pet's body handled in the following manner:

Private cremation. Gentle Passing will make the arrangements and will return the ashes to you.

Communal Cremation. Gentle Passing will transport the remains to cremation facility and ashes will not be returned to me.

I would like a hair clipping as a keepsake.

I would like a clay paw print as a keepsake.

I will arrange for the aftercare and I wish Gentle Passing to leave the remains on my premises. I am aware of any applicable laws and regulations regarding the burial of a pet's body.
